Congratulations!

As we get closer to the holidays we would like to formally update you on some changes for the new New Year. As of January 22, 2024 Ms. Stacey Smith will be transferring to Similkameen Elementary Secondary School in Keremeos as their new Principal. Mr. Cam Adam will be joining our team as our new Vice Principal starting at the beginning of the semester. All the best to Mr. Mo Basso as he heads across the field to OES to fill the Vice Principal role there until the end of the year. We want to congratulate them all as they head into their new roles. A big thank you to Ms. Stacey Smith and Mr. Mo Basso for all of their contributions and hard work at SOSS.
