SCHOOL-BASED SCHOLARSHIP AND BURSARY POLICY

Completion of this Scholarship and Bursary Application is required for applicants to be considered for school-based awards. The SOSS Scholarship and Bursary Committee selects candidates from the applications received. To be eligible for scholarships and bursaries, students must be enrolled in six grade 12 courses at SOSS, including CLC, unless there are extenuating circumstances.

Students who are withdrawn from more than one course or who have excessive absences may not be eligible for scholarships. Additionally, incidents of cheating or plagiarism may affect a student's eligibility to be considered for school-based scholarships.

Selections may be based on academic standing, citizenship, attendance, participation in school activities and/or financial need. Most school-based awards must be claimed within two years.

The school-based Scholarship and Bursary Policy has been read and agreed to by the student named on this application.
